## Gateways Trainings

### ● If You Are Happy and You Know It" Enhancing Children's Social and Emotional Skills

**Wednesday, November 16, 2022 6:00 p.m. - 8:00 p.m.**

This workshop will explore how caregivers can create a learning environment that is respectful and inclusive of children's home culture and language. This will incorporate reviewing communication practices and procedures used in their program. Join this workshop to learn strategies and practical ideas that can be easily implemented in your classroom.

### ● Developing Appropriate Expectations of Children during Social Gatherings

**Wednesday, November 23, 2022 6:00 p.m. - 8:00 p.m.**

Join this session to discuss what temperament is, why it matters, and how caregivers can support children's unique temperaments in the context of social gatherings. We will explore why children react and respond differently to the same event and how we can support them by better understanding our own temperament.

# Trauma-Informed Care (TIC) Trainings

## ● Module 6: Strengthening Families

**Wednesday, November 9, 2022 6:00 p.m. - 8:00 p.m.**

This training builds on the concept of trauma-informed care by helping providers understand the risks and protective factors related to serving a Bridge child. Specific strategies for strengthening families are provided, offering more ways to engage the families of children in your care.

## ● Modulo 6: Fortaleciendo Familias

**Miercoles, 16 de noviembre, 2022 6:00 p.m. - 8:00 p.m.**

Esta capacitación se basa en el concepto de cuidado informado sobre el trauma al ayudar a los proveedores comprender los riesgos y factores protectores relacionados con el servicio a un niño del programa Bridge. Se proporcionan estrategias específicas para fortalecer a las familias, ofreciendo más formas de involucrar a las familias de niños bajo su cuidado.
